Export of social systems

As a consequence of our professional knowledge of residential homes and dwellings for the elderly, we have successfully exported Danish care systems for the elderly and residential homes to Germany, in a collaborative venture with the Danish Ministry for Social Affairs and the development company Exsos. The following projects have been built:

Lindenberg Süd, Neubrandenburg

Client	Neubrandenburger Wohnungsgesellschaft MBWH
Project	60 dwellings for the elderly
Size	4,084 m²
Occupation	1995

Residential home in Gerbsted, Germany

Client	Wörz & Helbig, Alten- und Pflegeheime Betriebsges. m.b.H.
Project	Residential home for 78 persons, plus care centre
Size	3,824 m²
Occupation	1994

Residential home in Lettewitz, Germany

Client	Wörz & Helbig, Alten- und Pflegeheime Betriebsges. m.b.H.
Project	Residential home for 78 persons, plus care centre
Size	3,823 m²
Occupation	1995
